

What are Foundational Partners?

Foundational Partners are local New Jersey churches that believe in NJ CityServe and the VISION and will SUPPORT this initiative financially so we can continue to great work NJ CityServe is doing to bring the Church of Jesus Christ together in New Jersey.

A Ministry of Collyde

What is the amount we are asking Foundational Partners to contribute annually?

We'd like Foundational Partners to contribute \$5k/year from their Missions Budget.

Are there any other benefits to becoming a Foundational Church Partner?

Yes, as a thank you for taking a leap of faith and partnering with the NJ CityServe Co-chair Team & Collyde to build NJ CityServe, Foundational Church Partners get four perks:

- Your logo will be displayed on our NJ CityServe site under "*Foundational Partners*"
- You will get exclusive access post 3-4 church events per year on our NJ CityServe Facebook Page so you can share your event with a boarder audience
- You will get exclusive access to share two of your churches events via our NJ CityServe Newsletter with 500+ churches and 4000+ leaders/pastors
- You will special access to bring 10 of your Pastors & Leaders to Collyde Summit at no cost and if needed, you have access to having a church table at Collyde Summit for \$500/only. Having a church table at Collyde Summit will allow the audience at Collyde Summit to become aware of your church's heart, vision and initiatives.

“We believe in NJ CityServe and the local church coming together as One Body. How do we become a Foundational Partner?”
